

CALL FOR PAPERS

SIGN LANGUAGE STUDIES

A Journal from Gallaudet University Press
Edited by Ceil Lucas

Gallaudet University Press is soliciting manuscripts for *Sign Language Studies*, a quarterly journal edited by Ceil Lucas, professor emerita of linguistics at Gallaudet University. Articles and essays are welcomed from all countries. All submissions must be in English. Contributors should submit papers electronically to ceil.lucas2@gmail.com or deirdre.mullervy@gallaudet.edu. Manuscripts are considered on an ongoing basis throughout the year.

Manuscripts will be considered for review on the condition that they have not been published or are not currently being considered for publication elsewhere. Once an article is accepted for publication, the author will be asked to assign copyright to the Publisher in order to protect the article from copyright infringement. The Publisher will not refuse any reasonable request by authors for permission to reproduce their contribution to *Sign Language Studies*.

Manuscripts should not exceed 8,000 words, including references, and be typed double-spaced with one-inch margins all around. Final manuscripts should be sent as an attachment to an email and saved in Microsoft Word or Rich Text Format.
